DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21, 25-34, 36-49 and 51 are allowed.
2. The following is an examiner's statement of reasons for allowance:
 - Claims 1-20 are allowed for the reasons stated in Prior Office Action dated February 19th, 2003,
 - Claims 21, 25-34, and 36-39 are allowed because the instant claims are deemed to be directed to a nonobvious improvement over the invention patented in the Petersen et al reference. The improvement comprises forming a first and second layer of a film-forming composition wherein the amount of composition in the first layer is less than the amount of composition in the second layer,
 - Claims 40-49, and 51 are allowed because the instant claims are deemed to be directed to a nonobvious improvement over the invention patented in the Petersen et al reference. The improvement comprises the paper wrapper having a relatively high permeability, of at least 60 CORESTA, in the untreated areas, but having a reduced permeability, sufficient to reduce ignition proclivity, in the treated areas.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
